Pointe Marine has fixed docks with city water hook up. Slips have 30 amp power and some 50 amp power. Each slip has 2 spring pilings for safe and secure docking. All docking at the Marina is to be done in a "Bow In" manner. Vehicle parking, in most cases, is in front of the boat slip. There are three bathhouses with showers located conveniently throughout the property. A fish cleaning facility is located at the west of the Marina. A newly remodeled Pilot House with a full kitchen is located on the east side of the marina and is available to all slip customers. Pointe Marine is a pet-friendly facility with room to roam for our furry guests. We respectfully request that all of our guest observe common courtesy and pet etiquette. Pointe Marine also features an on-site service department that is readily available to assist you. Should you find yourself in need of service, Pointe Marine is staffed with professionals who have over 30 years of experience.

For New Renters

Pointe Marine loves to welcome new faces! Slips are sold to first-time renters on a first come, first serve basis. We require a $250.00 non-refundable deposit to hold a slip. The slip will be reserved for you in lieu of payment in full and occupancy for no longer than three (3) weeks at which point the slip will be made available for use to others and your deposit will be forfeited. A Rental Agreement must be signed and your boat must be properly registered with our facility. The remaining balance of your slip cost will be due in full prior to occupying the slip. Once your transaction is complete and a Slip Rental Agreement is in place, this will be your slip for the season. Please understand our policy of no refunds and no exchanges. Pointe Marine reserves the right to refuse to rent to any person, for any pertinent reason. If you have any questions or concerns with regard to our policies, please contact our office and we will be pleased to assist you.
